Be sure to read the skill page for Bowling Bowling to better understand the real skill mechanic. The knight will probably depend on Pierce's ability, bash or automobile and bowling bash or brandish launch, as it is usually dangerous for enemy mob when below 25%. Knight skills tend to be very cheap in terms of cost SP and there are innermuming cards of weapons and armor that can sustain the use of abilities of a knight indefinitely. A common strategy employed by guilds is massing of knights groups and then sending them to the enemy stack at once to brutalize the enemy with bowling bowling. Whether it's a party or sol, the chances are often you'll find yourself dealing with the infamous "Hitlock", where an enemy's attack makes him stop his movement. Constromers while varying widely in terms of statues, Knight constructions will have largely the same skills and differ more - then in terms of which swordsmen skills are taken. If you run on another Mobber and you only have some monsters following you, it is best to let them take your crowd and fly wings to look elsewhere. Once this is reached, the equipment must be selected to reach 95% flee and / or maximize the DEF depending on the compilation. Requires a launch. Do not drag a group of monsters to the party, if you see that the bard / minstrel is AFK or dead and magic ropes fell instead of attracting the crowd away from the party and wait or fly wing. 10 Offensive Brandish Spear attacks an enemy area around the latcher. Avoid using Bowling Bowling near walls as this will drastically reduce the damage caused by the skill. High STR is prioritized to be able to be able to kill groups of enemies with bowling or individual enemies with Pierce, high calf maximizes the efficiency of recovery items and minimize damage and high Dex is taken to shorten the bowling time of bowling. 10 offensive launch boomerang must be wielding a launch gun. Because the knight knight Whether overweight, while Auto Berserk agriculture This means that SP, weapons recovery cards (see Knight # leveling leveling to get more information) or consummate will be needed to support the ability. A common equity over SVD riders is that they require expensive equipment to work or are not "new" friendly. Instead, after the first time you use it, move away from the crowd of enemies so they are best positioned for everyone to get hit. 10 Search skills Search skills Description Level type of workorkorquirement Quest charge Attack Attack Attack: Hurry a target, deal more damage depending on how far you are from him. This knight can use the low frequency with which they are hit and SP-restriction cards as the deleter land board to benefit from Kaahi skill, largely eliminating the need for restorative items. The set of Morrigané gears helps immensely to this compilion because it reduces the necessary luk base to meet the requirement of damaging immunity, in addition to giving a lot of crit and lucky Perfect dodge. Changing on a knight of a swordsman requires the player to complete a station of tasks: collection of items a test battle test test written Word questioning a self-control personality test test after Complete these tests, the player will be transformed into a knight. It is best to have smaller and more frequent crowds rather than more than much less frequency. No more than 2-3 skills of the diagonal movement is needed to achieve this.
